## WYOMING'S FALL FESTIVAL

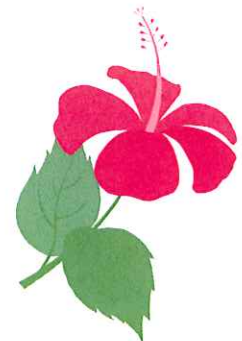

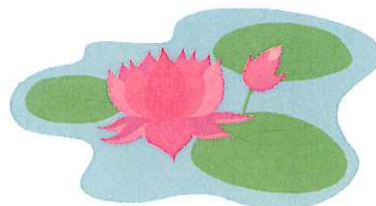

The Town of Wyoming will be holding its' annual Fall Festival on Wednesday, October 31st from 6—8 pm at the Wyoming Park. Bring the whole family out to enjoy the festivities. As always there will be hot dogs, pizza, goodies for the kids, and candy. Hope to see you all there. Remember to always be safe when trick or treating.

## PHASE II OF PARK PLANTING

Phase II for the DNREC plantings in the park will be this Saturday, October 6th from 9 am until 2 pm. We are asking for all hands on deck. We had a few volunteers at the last planting and we are hoping now that the weather is more mild that we will be able to have a number of volunteers come out to help make our park even more beautiful.

The town will be providing a bagged lunch as well as bottled water. All we ask is that you bring your own gardening gloves and any garden tool that you think could be useful.

We hope to see you on Saturday!

## FROM THE DESK OF CHIEF WILLEY (HALLOWEEN SAFETY)

As Halloween approaches I want to ensure that everyone not only enjoys seeing their little ghouls and goblins enjoying trick or treating, but that they also ensure the safety procedures necessary. As long as you follow the recommended safety tips you should have a fun and safe Halloween experience.

As always I leave you with a quote:

“I believe in working together to solve the problem we’ve got. And we need to get rid of the venom in the political atmosphere in D.C. It’s a poisonous atmosphere.” - Scott McClellan

## BUILDING PERMITS

This is just a reminder: any and all improvements that you may be doing to your property require a building permit before the work begins. Just about the only exception to this is painting. No permit is required for that. There are a few things that Kent County does not require permits for but the Town of Wyoming does. Be sure to check with Town Hall if you are in doubt.

The purpose for permits is not just to make money for the town as many people believe. It is to protect you, the homeowner. Whether you are doing the work yourself or hiring a contractor to do the work, our building inspector will be sure it is being done properly. This protects your interests in your property. You don't want to have new windows installed in your house for the purpose of making your home more energy efficient only to find out later that they were not installed properly and are leaking more air than your old windows did.

If you hire a contractor to do your work, please remind them that they must have a Town of Wyoming Business License as well as the State of Delaware License. Town Hall can be reached at 302-697-2966.

## WYOMING PARK

Although Fall is here the Wyoming Park is still open and in full swing. The bathrooms will remain open until after the Fall Festival. Once the bathrooms close a port-a-potty will be brought in so that the park can be enjoyed all year round. The park is beautiful no matter what season it is. If weather prevails the bathrooms will be open in time for Easter's Sunrise Service.

As many of you know we reserve the pavilion for parties, BBQs, and even weddings. If you are planning an event for this fall and would like to hold it outdoors, please call Town Hall and make a reservation.

In the spring and summer months the pavilion is booked solid, sometimes even double booked on Saturdays and Sundays. If you are looking to have an event at the park next spring or summer you should try to get your reservations in sooner than later so that you are sure that your spot is secured.
